

RECENT OPERATIONS

By Paul Rardin

The war is over. The boys are coming home. Many are on their old jobs already. Each day I see a familiar face back on a job vacated a few years ago when there was a war to be won. In my rounds this week I jotted down the names of a few of the fellows who are back in civilian harness. Here are some of them:

Colquit Davis back at the Bank of Pahokee. Louie and Jerry Gok again on the job at the Prince, Everglades, Showboat, and Ace theatres. W. A. Stevens helping his father in the bean harvesting business. Osborn Belyeu again with the Florida Power and Light company line crew. Gilbert Olson with his usual smile while twisting that well-worn draught arm at Dad's Bar. Dorsey Pugh and his brother, Melvin, in their old spot wielding shears and razors in Pugh Brothers Barber Shop.

Edwin Rice, Snooky Williams, about ready to take up higher education at the University of Florida under the GI Bill of Rights plan. Rufus Kimball back with the sugar company. Paul Tillery back and will probably be working after a few days to catch up on his rest. Ed Jensen and Jack Phillips back in the post office sorting, distributing, dispatching and doing all the other things you do to mail.

Lynn Elarbee with his favorite insurance concern. Buddy Larri-more aiding veterans on their return in finding out what a veteran wants to know. Anderson carrying one of the familiar debit books for the Mutual Life and Health Insurance Company. Speaking of insurance men reminds me that Bishop Starling is again with Gulf. You wouldn't expect Brock Baxter to be anywhere else except with Burns Electric company. He is. Whitt Brevton, who isn't going to travel any further from home than Sand Cut, dishing out the hard to get items at the A&F. Charles Baker joined up with Chester A. Batchelor in the insurance business.

Those named above are only a handful of the nearly 500 fellows from Pahokee and Canal Point who wound up a successful war and are either back or hoping to get back ere the setting of too many suns. It's good to see them again.

I like this little paragraph from the Detroit News: "A subtle change comes over customers who a year ago were saying, 'I'll take it. What is it?' Several of late have been examining merchandise then moving on in their separate ways."

The above paragraph reminds me of that large sign I saw on a bill board in the Miami area about the time that clerks were almost unbearable with their nastiness. It said: "The memory of the customer will outlive the war." I am to find seeing that prediction fulfilled.

If you want to run for election to the state legislature you had better get your name in the pot before Feb. 1, 1946. A new and special law sets the date for qualification for this office at Feb. 1. Many of the would-be legislators are tossing their hats into the political ring. Other announcements will, in all probability, come during the next few days before the qualification period comes to an end.

A trio of candidates for state attorney in the 12th judicial district are as follows: Rose, Rosin and Sanley.

To Consider Name Change For Legion Post In Pahokee

Changing the name of the Pahokee American Legion Post will be up for consideration next Monday night, Jan. 21, when the regular meeting of the Post is held, according to an announcement made this week by Post officials. The Post is now known as Fred and Percy Mansfield Post No. 90 of the American Legion.

The meeting will be held in the Pahokee City Hall, Post Adjutant L. V. McClelland said. J. Stanton Chastain is Post Commander and is particularly anxious that a large group of members be present Monday night to consider the name change.

The Post now has 27 members who are veterans of World War 11. It is hoped that more returning Veterans will see fit to join the organization. With the veterans returning and joining the organization it is the plan of present officials to rejuvenate the Post and eventually secure a home for regular meetings.

Receives Broken Foot In Accident

Ralph Chaney, son of Mr. and Mrs. Frank Chaney, was injured in a softball game during his physical education period at the Pahokee Junior High Tuesday afternoon when a classmate stepped on his foot while attempting to make a base. The attending physician reported fracture of two bones of young Chaney's foot.

Walter Witt of Farmersville, Ill., is visiting Mr. and Mrs. Robert Simonson here.

Wants Old Job Back

Russell O. Morrow of Lake Worth, former state representative who was recently discharged from the U. S. Navy, is a candidate for state representative in group one. Mr. Morrow served in the 1937, 1939 and 1941 sessions of the legislature. He resigned as state representative in 1941 to join the Navy.

Morrow Seeks Job He Gave Up In 1941 To Join U. S. Navy

Russell O. Morrow, Lake Worth attorney and former member of the state legislature, this week announces his candidacy for election as representative from Group 1, a position he held for three successive terms before resigning in 1941 to join the armed services of Uncle Sam. Other places of trust held by Mr. Morrow include the position as chief deputy clerk of the criminal court of record and state attorney.

Mr. Morrow has been a resident of Palm Beach county for 27 years and a practicing attorney for the past 13 years. He is past president of the Palm Beach county bar association.

The young Lake Worth attorney received his orders to inactive duty on Jan. 4, 1946 after serving more than three and one-half years in the Navy. While in service he participated in the following major engagements: Tarawa, Majuro, Saipan and Tinian, Guam, Pella, and Leyte Gulf. He is authorized to wear the American, Asiatic-Pacific, and Philippine Liberation ribbons and six battle stars. Much of his Pacific duty was with Task Force 58. Aboard ship he served as First Lieutenant, Navigator, and Executive Officer. During his term of service he received two promotions and now holds a commission as Lieutenant Commander in the United States Naval Reserve.

In announcing his candidacy for election to the legislature, Mr. Morrow said: "I respectfully ask you, the people of Palm Beach County, to return me to the office from which I resigned to enter the military service of our country. For three successive terms immediately prior to the war I was privileged to serve you in the State Legislature. The fact that you sent me to the Legislature of Florida as your Representative, for those three terms is an honor for which I am deeply grateful and a trust of which I am genuinely proud. If I am re-elected to this office, I will continue to serve you to the best of my ability and will regard myself as your public servant."

RETURNS TO ALABAMA

Mrs. A. D. Bell returned to her home in Talladega, Ala., Tuesday after spending several days with her sister, Mrs. Seth Roberts in Pahokee. Mrs. Bell was accompanied to Pahokee by her mother, Mrs. McArthur, who is spending the remainder of the winter with Mrs. Roberts, also a daughter.

Chief's Job Will Attract Several In Pahokee Election

It looks like Tuesday, May 7, will be a red letter day in Pahokee politics. On that date a mayor, chief of police, city clerk and three councilmen will be elected and today there are more tentative candidates for the police chief job than any time in Pahokee's history.

O. B. McClure is mayor and has served several years in this job. No direct statement has been forthcoming from him but close friends of his say that O. B. won't offer again for the job. Citizens of Pahokee have given him their highest honor and his friends are of the opinion that he is content with the laurels he has earned.

In the chief of police race Chief Gant, if he runs for re-election, will be opposed by a half dozen or more candidates. It is understood that E. O. Murphy will be back in time to make the race. A former member of the department—B. W. Wood—is toying with the idea of running, it was said. Others in the tentative list include A. I. (Little Bud) Davis, Altman Morgan, I. J. Frasure, Sr., and two returned veterans, Earl "Spider" Lindrose and Lake Coleman.

Terms of Councilmen L. L. Shirley, Johnny Thomas and W. A. Keen expire and their offices will have to be filled at the election. Councilmen Robert Mackey and Victor Geiger are holdovers. Little talk has been heard in regard to candidates for council with major interest lying around the police chief race.

Rotarians Undo Their Permanents

Sedate and dignified Rotarians went into a talspin yesterday in their regular meeting and let their hair down in a big way, all because the program chairman failed in his plans for the scheduled program. Horse play, some child play and a whole lot of monkey business went to make up the impromptu program much to the delight of several visitors who, in years gone by, had always seen Pahokee Rotarians on their good behavior. There was no such thing as good behavior yesterday.

Fellows who took the floor to make short talks, had everything thrown at them but the silver. And, this was an oversight or it would have been put into circulation by the "fun-loving" Rotes. As a last resort to fill up some of the time, a screw-ball, screechy quartet (hastily assembled) took the floor. Rendition of one song by this blatant group was enough to bring the program to a close.

Impromptu speeches, some not more than 3 seconds) were a part of the foolishness that was carried on during the very, very unusual hour when Rotarians really took the kinks out of their permanents.

Mrs. T. M. Chastain, who has been seriously ill in a West Palm Beach hospital, has recovered sufficiently to be returned to the home of her son, J. S. Chastain, in Canal Point. She is reported as greatly improved.

Mrs. A. R. Harrington, Mrs. Francis Wilson and Mrs. Florence Singletary attended the W.S.C.S. meeting in Miami Thursday and Friday.

Potato Machine At State Mart Has Something New

Something new under the sun has been added to the potato deal out at the State Farmers Market, according to John Dulany, market manager, and owner of the latest thing in potato grading, processing and packing equipment. The new machine was set into operation just a few short weeks ago and already has proven satisfactory to the many growers using it.

The potatoes are given several different treatments during the course of their journey through the machine. First they go through just an ordinary water bath which removes the muck. From there they travel into the sulfidic bath which arrests any disease common to the lowly spud. This particular bath is tasteless, odorless and harmless to one and all except germs. Scab growth is arrested by the bath.

Into the drying room the spuds go from the germicidal bath. It is in this department that something new enough has been added. In this department there are two hundred and eighty-eight 250 watt infra-red ray lamps. They dry the potatoes quicker than you can say Jack Robinson. They do no harm whatever to the potato during the drying process. It's that kind of light.

Then there is another department where the spuds are exposed to four violet ray lamps for an instant. These lamps kill any remaining germs no matter what kind they are. Pure City of Pahokee water is used in the process of preparing the spuds for market.

The new machine has a capacity of six hundred 50 pounds bags an hour. That is equivalent to a carload, Mr. Dulany said. It takes a crew of 30 workers to keep the machine going full tilt. Mr. Dulany is owner of the machine and has engaged J. H. Wilkinson, Sr., to operate it. He grades and packs potatoes on contract for growers.

Lampi Will Attend Bandmaster Meet

Robert O. Lampi, Pahokee bandmaster, will attend a meeting of bandmasters of Palm Beach County at the home of Howard Swyers in West Palm Beach on Monday night, Jan. 21. All bandmasters of the county will be present at this meeting to make plans for a county music festival to be held in the spring, the date to be announced later.

Mrs. T. M. Wetherington of Mayo, Fla., is visiting her son-in-law and daughter, Mr. and Mrs. L. W. Mullis, in Pahokee.

Mrs. Sara Kate Griffith has gone to West Palm Beach to join her husband and make their home here following his recent discharge from the Army. Mrs. Griffith lived with her parents, Mr. and Mrs. J. R. Boland, in Pahokee while he was in the service.

County Land Titles Guaranteed

Ever since the counties have been operating under the new state law which turned over to them all lands on which taxes remained delinquent over the legal limit and could be foreclosed by regular legal procedure through the courts, there have been some who wondered if the title given by a county to such lands would withstand attack in the courts. Most lawyers are in agreement that titles given by a county to property it had taken title to under foreclosure proceedings are good titles.

Now there is a new aspect, at least as far as such properties in Manatee county are concerned. Attorney Knowles, legal advisor for several years to the board of county commissioners, has made such showing to title insurance companies of the value of the titles which the county conveys upon properties coming to it under foreclosure proceedings, that two nationally known title insurance companies have agreed to insure property titles derived from county foreclosure suits. That adds much strength to the county's position.—Bradenton Herald.

Arnall As Author

Governor Arnall, whose administration has gained for Georgia the most constructive publicity the state has had in many decades, already has a large readership waiting for the book he is writing. It will be about things to come as well as one about things that have already happened in and to Georgia.

The title, "Dimly Seen Shore," taken from the national anthem, sounds provocative enough. It labels a book in which will be recorded the achievements of a governor who chartered his course and stuck to it.

The south will never cease to be grateful for the new standing Governor Arnall has won for Georgia throughout the nation, for Georgia's new prestige becomes, in a measure, new prestige for the southern states as a whole, just as the Eugene Talmage administration tended to reflect upon the entire south.—Lakeland Ledger.

Might Change His Mind

A shipwrecked sailor, who spent three years on a desert island, was overjoyed one day to see a ship. A small boat came ashore and an officer handed the sailor a batch of newspapers: "The captain suggests that you read what's going on in the world and then let us know if you still want to be rescued."—Ohio Motorist.

Banquet Is Enjoyed By Bible Class

Some eighty five attended the first of the semi-annual banquets of the Pahokee Men's Bible Class conducted in the Lions Hall last Thursday night. All fared sumptuously with quail and chicken in abundance, prepared as only Mrs. Key and her assistants are capable. The program opened with the singing of "America," with prayer by the Rev. Dick Heller, Canal Point Baptist Church pastor. Following the tomato juice appetizer, activity of an unprecedented nature was entered into, with service by a group of young ladies of the church, "par excellence." The Class Quartet was at its best, rendering several selections, accompanied by Gray Sanders. Vice President Elsworth Keen spoke a word of welcome, recognizing the

visitors. President L. Jaudon was one happy man and expressed himself accordingly. C. R. Wroten received special recognition for having furnished the 'spark,' along with J. C. Mock, that brought the class to its present status. Game Warden Jensen's "the quail is good" was well received, especially by 'Big Boy' Giddens, Dr. Spooner, Gene Butler and others.

The high mark of the event was the address delivered by Hon. J. Raleigh Petteway. His subject, 'Talents' will not soon be forgotten. He stated that everyone possesses at least one talent and is responsible to God for the usage thereof. His words were most timely and will, undoubtedly, bear much fruit. 'Windy' Willis, long time friend, presented the speaker in his usual gracious manner, much to the delight of all. Mesdames Petteway and Moberg were honored guests. Following an enthusiastic song service led by R. Cowart, cool and refreshing Coca Cola was served by W. Willis and E. Jones, greeters of the last quarter. Their failure to shake hands with all, brought on this penalty. Present greeters, T. Knight and L. Wroten, take notice. After almost three hours of Christian fellowship bordering on the perfect, including special recognition of a host of recently discharged service men, the banquet came to a close with the singing of 'God Bless America,' and prayer by the Sunday School Superintendent, Othan Gilbert. The teacher, Rev. C. A. Moberg was Master of Ceremonies. A most cordial invitation is extended to all to attend the class next Sunday morning at 9:45, Lions Building.

HOME ON FURLOUGH

Audrey Hitchcock is visiting his parents Mr. and Mrs. W. P. Hitchcock of Canal Point, while on a 14 day furlough. He has been stationed at Camp Swift, Texas, and will report there for further duty. He expects to be out of the army within a couple of months.

Rep. Bollinger Tells Of TB Facilities

Sanatoria facilities for tuberculosis patients in the State of Florida were discussed by State Rep. John Bollinger in a talk before Pahokee Lions at their Tuesday luncheon meeting. The State is attempting to secure Army installation hospitals for use as additional sanatoria and also for use as rest hospitals for returning veterans suffering from battle fatigue, the speaker said.

W. A. Rice transferred his Lions membership from Pompano to Pahokee and was welcomed as a new member. Lt. Louis Gold, war veteran who recently returned from overseas duty, spoke briefly. Lt. John S. Harrington, Claude Jones, Paul Tillery, L. V. McClelland, W. D. Sheppard of Miami and Lamar Allen of West Palm Beach were also guests.

Young Giddens In Try Out At U. Of F.

Wilton Giddens, outstanding Pahokee Blue Devil tackle and only 1946 graduating member of the team, was invited by the coaching staff of the University of Florida to participate in the tryouts for football scholarships held at Gainesville over the weekend.

Giddens' play on defense stood out in every game played by Pahokee High School during the past season and he averaged 45 yards on punts. Five foot, ten inches and weighing 200 pounds, he is considered a fast man as he covers 100 yards in 11 seconds dressed in football uniform.

REPORT IS MADE

Bertha Nill Hausman, Palm Beach county home demonstration agent, handed members of the county commission her annual report on Monday of this week. The report was unusually good in the opinion of the board members and covered in detail work performed throughout the past year.

Life On The Campus

AT PAHOKEE HIGH SCHOOL

The Pahokee Blue Devils played the Ft. Pierce Eagles last Friday and the game certainly was a thriller. Both teams were in good physical condition and fairly evenly matched. Pahokee was the center of attraction at the half, the score being 11-8 favor of Pahokee. The deciding break came in the third quarter when Smith tipped the ball in the Ft. Pierce basket for 2 points after a free shot was missed by Ft. Pierce. At the end of the fourth quarter, Ft. Pierce led 21-20. The starting players for Pahokee were: Smith, center; Hatfield and Walker, forwards; Geiger and Todd, guards. The boys played a swell game and our hats are off to them.

Wilton Giddens, a Senior of Pahokee High drove to Gainesville last Friday. Wilton and several members from the Belle Glade team went up to try out for the Florida team. Wilton reached the university about 3:30 P. M. Coach Pittman checked the visitors in and assigned them to their quarters. Just 253 boys to put to bed! Wilton stayed at the Sigma Nu fraternity house. All the boys attended a banquet given for them, and all the coaches. They were entertained by pupils of Jacksonville dancing school. Wilton said the food was delicious and he certainly did enjoy meeting all the boys. The boys were explained opportunities offered by the school. Saturday, the next morning, breakfast was served at the cafeteria. At 9:30 A. M. there was work out on the field. From 11:30 A. M. till 1:30 P. M. was taken off for lunch. Again there was a work out—1:30 P. M. till 4:30 P. M. After all the exercises, there was a barbecue given for the fellows which was attended by the President of the University. This concluded the official program, but boys were welcome for the remainder of the weekend.

A new student enrolled this week. She is Martha Bagwell from Bareville, Ga. Miss Bagwell is a Junior in high school.

Miss Imogene Hough left Friday

to visit her mother and father in Gainesville, Fla. Imogene said she had a very delightful time. She attended a dance at the University of Florida at the same time Wilton Giddens and other football boys were there.

Mr. and Mrs. B. T. Vohees had as recent guests her parents, Mr. and Mrs. H. S. Gove, Sr., of Vero Beach and sister-in-law, Mrs. H. S. Gove, Jr.; also his cousins, Mr. and Mrs. Cloyd Lusk of Clayton, Mich.

Robert O. Lampi will attend an executive board meeting of the Florida Bandmasters Association in Sarasota on Saturday of this week at which time plans will be formulated for the State-wide music festival to be held in St. Petersburg the first week in April. Mrs. L. W. Armstrong motored to Pinacastle, Fla., on Sunday to visit her sister, Mrs. R. W. Bowers, who is ill. She was accompanied by Edwin Rice, C. E. Williams and Melvin Spooner who went on to Gainesville.

Mrs. Edgar Martin and niece of Salem, Ind., arrived Wednesday of this week for a visit with Mrs. Martin's brother and sister-in-law, Dr. and Mrs. L. W. Armstrong, in Pahokee. They were accompanied by Mr. and Mrs. Ratta.

Mr. and Mrs. Lynn Elarbee of Fort Lauderdale visited her parents, Mr. and Mrs. G. W. Byrd, and his mother, Mrs. R. V. Elarbee, in Pahokee recently.

Mr. and Mrs. Marcus Knight and daughter, Linda, and Mr. and Mrs. C. C. Searcy and daughter, Shirley, all of Wauchula, were guests of Mr. and Mrs. Elmer Jones over the weekend.

Woman's Group In Monday Meeting

The Pahokee Methodist Woman's Society of Christian Service held its regular meeting at the church on Monday afternoon. Mrs. I. W. Weeks was named treasurer to fill the vacancy left by the resignation of Mrs. C. C. Cruthird. The missionary seminar for the Methodist Miami District to be held in Miami on Friday was discussed and it was announced that Mrs. Ralph Stanley, Mrs. T. A. Ferguson and Mrs. Weeks will represent the local WSCS at the seminar.

Large Crowd Hears Eppley Sisters At Pahokee Church

One of the largest congregations in the history of the church was in attendance last Sunday, First Baptist of Pahokee, to hear the program of The Eppley Sisters. For about one and a half hours, the interest of all was intense, with the rendering of the many selections in song and instrumentation, as only these in their own characteristic manner are capable. With joy it is announced that upon their return trip, this church will be included in their itinerary. Because of this last minute change, the pastor did not preach the second of the series of sermons on 'The Sermon on the Mount'.

This Sunday at eleven, the subject 'SALT' will be considered. The newly organized saxophone trio consisting of Gloria Henderson, alto; Peggy Ann Moberg, Tenor; and Mrs. C. A. Moberg, C. Melody, with the Rev. Moberg at the piano, will present a selection at the morning service. The Intermediate and Adult Choirs will sing. At the evening service, 7:30, the pastor will preach the second of the series of sermons on 'The 18 Baptist Articles of Faith'. Do Baptists really teach Close Communion? Eternal Security? Three Gods or One?

The orchestra which is receiving much favorable comment, will play. The Ladies Quartet will sing. The Training Union will convene at 6:30 with a special program by Associate Director Mrs. W. M. DuBose. Two hundred and eight were in attendance last Sunday in the Bible School.

Clerk Walker Suffers Black Widow Bite

W. P. Walker, Pahokee city clerk, was nipped by a black widow spider at the city hall on Monday of this week. Where and how Mr. Walker was bitten by the spider we dare not say but we can reveal that he is getting along fine and was able to return home from the Everglades Memorial Hospital Tuesday evening.

THE OLD JUDGE SAYS...

DICK: "I wonder how the distillers feel about that new movie built around an alcoholic."

OLD JUDGE: "It's funny you asked that, Dick... I was just reading a piece about it."

DICK: "What did it say?"

OLD JUDGE: "A very sensible statement. It said the beverage distillers are fully aware of this problem and are cooperating in every way possible to help solve it. The alcoholic is to the beverage distilling industry what the reckless driver is to the automobile industry. There is nothing wrong with the

automobile, but in the hands of a man who doesn't know how to drive it or is reckless, it becomes a menace. Likewise, it's not the use but the abuse of alcoholic beverages that causes trouble."

DICK: "Wonder why it is most men can drink moderately and others can't?"

OLD JUDGE: "Intensive research at a great university has shown that most excessive drinkers are really sick people. They are suffering from some physical, social or emotional upset. And great strides have been made in developing clinical methods of helping these unfortunate people."

BPW Club Plan For Federation Meet

The Everglades Business and Professional Woman's Club conducted a combined business and program meeting at the Woman's Club building on Tuesday evening.

At the business session, with President Becky Starling presiding, plans were made to send a local delegation to the B&PWC Federation meeting in Miami on January 27.

Clark Hull, program chairman, introduced Phara Mock, chairman of the education committee, who presented the program. Guest speaker was Miss Dorothy Tucker, student at Florida State College for Women, Tallahassee, who is assisting the teaching staff at Pahokee High School as practice teacher in the physical education department. Miss Tucker said this is the second year FSCW is trying out the system of sending students majoring in education to schools throughout the State for a

period of practice teaching as internes. She was enthusiastic about the practical experience gained by students in this manner and was of the opinion that the teaching qualities of graduates will be improved as the interne system becomes more widespread.

Miss Jane Mitchell, director of the girls physical education department at the local high school, was also a guest.

Following the meeting a covered-dish supper was served.

Second Article Of Baptist Faith "THE TRUE GOD"

We believe that there is one, and only one living and true God, an infinite, intelligent Spirit, whose name is JEHOVAH, the Maker and Supreme Ruler of Heaven and earth; inexpressibly glorious in Holiness, and worthy of all possible honor, confidence, and love; that in the unity of the Godhead there are three persons, the Father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

Devil Cagers Will Play Fort Pierce There Saturday PM

The Pahokee Blue Devil Cagers will travel to Fort Pierce this coming Saturday night, Jan. 19, for return games with the Eagles by both the boys and girls team.

The boys will try to redeem themselves for the game they gave to the Eagles on the local court last Friday night. The Blue Devils started off smoothly enough and ended the half with a 13 to 8 score in their favor. Then in the second half they started playing the kind of game Coach Steve Brown has warned them against time and again, overguarding and still more overguarding that piled up called fouls, through which

Fort Pierce netted eight points from free throws.

In the third quarter a Fort Pierce player missed a free throw and in the mad scramble for the ball, believe it or not, Donald Smith, Blue Devil cager, poked it through the Fort Pierce basket. From then on the hot and bothered Blue Devils didn't know whether they were coming or going and the jittery Fort Pierce coach blocked the view of the score keeper and had him in about the same condition as the Blue Devils. Well, anyway, when it was all over but the shouting the Blue Devils settled with a 22 to 21 score in favor of the Eagles. Kyle Hatfield was high point man for Pahokee with 10 points and B. Nelson, for Fort Pierce, with 7 points.

In the preliminary girls game Pahokee, trailing 12 to 7 at the half, came from behind to win, 20 to 19. Marie Funderburk, forward, starred for the girls, netting 11 points.

If it's action you like, fast and sometimes a bit furious, you are missing a good bet of you are not attending the basketball games on the local court. Coach Brown and Coach Jane Mitchell have both developed good teams this season and Referee Dorsey Pugh knows how to keep them in line. You'll find it a lot of fun.

Mr. and Mrs. B. C. Hare of Pahokee announce the birth of a son, James Tilden, at the Everglades Memorial Hospital on Thursday, Jan. 10.

Mr. and Mrs. B. R. Allen of Belle Glade announce the birth of a daughter, Tanya Francine, at the Everglades Memorial Hospital on Friday, Jan. 11.

To those who are waiting for telephones

From now on our story is more cheerful for many who are waiting for a telephone.

With the receipt of larger amounts of telephone equipment, we will be in position to install telephones for those who have been waiting longest.

But there are places where we have complicated switchboards to install—even places where we must build new buildings for the new switchboards. In those places it will necessarily take more time.

We're working hard to serve those and striving to give everybody quicker and better service than ever before.

The future in the Everglades is bright.

Here at Betzner's Hardware store in Belle Glade we are particularly anxious to load our shelves with new merchandise which will be available before many months. There are so many things that we want to have in stock for you when you come that it would be almost impossible to enumerate them. Before the war we took pride in saying that you could find it here—no matter what it was in the hardware line.

With the beginning of a new year we are again proud to be a part of the vast agricultural area here on Lake Okeechobee and extend a cordial welcome to everybody to visit us when in need of hardware.

SUNSPOTS

(By Breezy)

Some local prankster "lifted" a new outboard motor off of a test barrel behind a local store. The man called in the law. It took them about five minutes to locate the "stolen" motor in his store room. The man does not like to hear any conversation about it. We understand his pin-feathers are still slightly ruffled about the incident.

We wonder why the City of Pahokee doesn't break down and splash a little green paint on the waste paper receptacles parked around town. It would not harm the looks of things any.

The city has taken on a new policeman therefore it is only natural that we give him some unasked-for advice. To begin with, Mr. Policeman, pick out a comfortable spot on one of the three benches and relax. There is nothing for you to do except to look "ready", because everybody is outside the law. Mr. Big is a local business man, he and members of his family can park anywhere, anywhere and drive as fast as they want to, so just relax. Next comes Mr. Bigger, he grows a million acres of lollypops, and of course, is untouchable, as are his family and relatives. Mr. Bigger has one, two or three field foremen—they are hired right off the track at Indianapolis—do not mess with them as they will outrun you, just relax. Next comes Mr. Bigger's truck cowboys—the more noise they make and the faster they get around the harder they are working—in their opinion. Mr. Bigger won't let you bother them, just relax. You can't buy new trucks just now and putting lights on an old worn out truck is unthinkable. Just relax, Mr. Policeman—everybody in town is associated either with Mr. Big or Mr. Bigger.

Paul Rardin's Recent Operations column last week sounded like he was looking forward to a mess of watermelon, a sack of potatoes and the brakes put on Reddy Kilwatt.

How about that store hour sign on the door of the Parrish Jewelry store. We do not know whether that is a good idea or one of Mr. Parrish's "ideas".

We heard, very unofficially, that the dog poisoner in Pahokee was about to be exposed but the deal missed fire because of too many pussy-footers. We also heard that the Humane Society has promised to send an investigator here from Atlanta. If he ever gets here we are sure it will be a different story. That organization is not in the habit of pulling any punches. Poisoner, you have enjoyed good luck, so far.

Major and Mrs. John T. Pickett were business visitors in Clewiston on Monday.

Mrs. Sally Throneberry and son, Herbert Throneberry, have arrived from Nermandy, Tenn., to make their home in Pahokee. Herbert is now employed as bookkeeper at B. Elliott's Ford salesroom and garage.

Mrs. Doyle William Smith (Erma Justice), daughter of Mr. and Mrs. B. B. Justice of Pahokee, is ill with pneumonia at a Navy hospital in Washington, D. C.

Alvin Armstrongs Are Back In Pahokee

Mr. and Mrs. Alvin Armstrong have arrived from Tucson, Ariz., to make their home in Pahokee. They are living with his parents, Dr. and Mrs. L. W. Armstrong, until their residence, which was recently moved from the Kaltenbruner subdivision to a lot next to Thomas subdivision on Bacon point Road, is remodeled and ready for occupancy.

Alvin served in the Army 54 months before receiving his discharge from the AAF, in which he held the rank of technical sergeant. He and his wife visited friends and relatives in Kearney, Nebr., and Cleveland, Ohio, enroute to Pahokee from Tucson where he received his discharge. He is going into the filling station business in Pahokee and will operate the Gulf station at the corner of Belle Glade and Bacon Point Roads, formerly known as Webb's station, opening on Wednesday of this week.
